

Timeline

FEBRUARY

Bring your quilts to be considered for display at the festival to represent our guild. NEW for this festival is that tied or tacked crazy quilts will be accepted. The quilts will be measured and other details recorded (name, date, etc.). Your quilt doesn't have to be finished—but it MUST have a hanging sleeve so plan for that! See requirements on KCRQF.com/2023-guild-quilt-entries.

You can still buy tickets and merchandise and sign up for classes. We expect to have sign-ups for volunteer work to begin in February, so watch for updates. LIKE the KCRQF Facebook page and join the KCRQF Updates, Sharing & Chat group to learn more, ask questions, and win PRIZES!

MARCH

We'll pick the quilts from our members to display at the festival. Our guild uses a random number process along with our allotted space to determine which quilts to include in our guild's display.

APRIL - MAY

Finish your quilts for our guild display and for judging. Review the supply lists for any classes you signed up for. Get excited for all the vendors coming—see the list at KCRQF.com/vendors!

JUNE

The fun begins! June 15-17 at the Overland Park Convention Center. Get ready for a great time.
