Dear Olathe Quilters Guild Members,

Fall temperatures are finally arriving, giving us reason to cuddle up with a comfy quilt. I hope your quilts are finding good homes, so you and others can enjoy your handiwork.

At our October guild meeting, we will vote on the slate of officers for our 2023 board. Please note that we have several positions not yet filled. You all have tremendous skills and abilities. If there is a position that matches your skill set, please consider stepping up. Each person that is currently serving will be happy to meet with you to discuss the responsibilities. Two positions that are open are "Elect" positions – watching and learning the 2023 holder of the position so that you can take over in 2024: Program, and Ways and Means. The other two open positions are Public Relations and Historian. Melissa Toburen would be happy to stay on in Public Relations (website), but our By-Laws limit the term to 2 years, which she has served.

Also at our October meeting, we will give everyone time to sign up for committees for 2023. We currently have 11 committees: Block of the Month, Challenge Quilt, Charity, Johnson County Fair, Olathe Guild Manager of our quilts for KCRQF, Opportunity Quilt marketing, Outreach/Education, President's Quilt, Special Events, Tech Committee (Zoom), and Welcome Table. Please consider which committee(s) you would like to join. In November we will have time for the committees to meet to discuss their plan for the year and decide on chairs.

The phrase, "It takes a village," is appropriate for our Olathe Quilters Guild. We are all so grateful to everyone who make our guild run. Our guild is such a friendly and willing group that we know everything will work out. Thank you to everyone who has served on the board and on a committee in past years and this year!

Happy Quilting,

Libby Corrison, Guild President

October Speaker—Jean Impey

Jean Impey will be joining us in October, in conjunction with KC Maker Studios and the quilters' guild of Greater KC. She is known for her collaging techniques and making faces . www.sewjean.com

Jean has more than just dabbled in fabric and art. She has taken a life long journey exploring all the aspects of creativity. She will be sharing a lecture on Finding your Passion.

Biography

Art has been an integral part of my life since I was a child. I remember always being intrigued and absorbed with making things. My mother encouraged my exploration of all things creative and my life-long creative journey took off including painting, sewing, photography, ceramics, embroidery, gardening just to name a few.

My style, my passion, my energy is boundless... I love discovering, I love looking, I love seeing, I love the way others see, and I love doing!

I don't worry about doing it wrong.... There is no such thing in the creative process. I like how Albert Einstein said, "The easiest way to be creative: try something different, even if you don't think it will work."

I look forward to sharing my story, work and passion with you.
